PRAYER

Declare and decree fruitfulness over your body, the works of your hands, the fruits of your lips, and in your mind. Also declare that the blessing of God over your life will make you increase and you will not regress.

*Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."
– Genesis 1:28*

When God pronounced the above blessing on man, He did not put any time or age limit to it. This is a mandate of productivity that God placed on man for the rest of his life. So don't get to a point where you think that God is done with you and then close shop.

Looking closely at life, it makes sense for age or time to limit certain kinds of productivity but it does not make faith. Faith places no such limitations on anybody; and we are supposed to walk by faith not by sight in every aspect of our lives.

It was recorded in Hebrews 11:11 that Sarah received strength to conceive and bore a child by faith though she was past child bearing age. Faith reversed that which was impossible; by faith all her members were quickened, natural laws were suspended and what shouldn't be came to be. That is the power of faith!

Likewise in your life, if you can move from the sense realm (what you see), to the faith realm (what you believe), you will see the impossible happen for you. Rise up with the mindset that the generational blessing of the Lord has been pronounced upon you for all-round productivity; therefore, you must be productive no matter where you are presently in life.

Have a fruitful week!
