### PRAYER POINTS

Ask for ears that will hear the voice of God and an understanding heart that will easily accept His pattern for 2018 and run with it

*According to all that I show you, that is, the pattern of the tabernacle and the pattern of all its furnishings, just so you shall make it. Exodus 25:9*

It is a blessing to be at the threshold of a new season – a new year; however, you cannot afford to just go into the New Year without knowing the mind of God for the year for you. You just don't want the year to happen on you and you just follow it aimlessly (taking whatever it throws at you). What worked for you in 2017 may not work in 2018 and you cannot kill new giants with old strategies, because each year offers its own unique challenges and opportunities.

God told the children of Israel as they prepared to cross the Jordan that *they had not been that way before*. I want you to know that you have not been this way before, you have not seen 2018 before; it is the first there is in the history of mankind. You may have been in 2016, 2005, 1996, 1965 or even 1922, but you have not been this way before. That is why you can't just go into the year without getting directions and instructions from the God who lives in eternity – the God who knows and holds tomorrow.

From our text, God called Moses to build the tabernacle according to the pattern He would show him. This included the external dimensions of the tabernacle and the details of all the furnishings inside. God was not going to leave anything to Moses' whim or judgment; every detail must be followed for it to line up with the picture in the mind of God. It is interesting to know that God has a pattern in heaven for all earthly 'structures' – that will include your business, your marriage, your calling, your career, your children, etc.

God is very much concerned about every detail of your life, just as He was concerned about every detail of Moses' tabernacle (for you are now the temple of His Holy Spirit). For that reason, you cannot afford for your life to be 'hit and miss;' it cannot be trial by error; every detail must and should be according to the heavenly pattern. God has a unique plan/pattern for everybody, that is uniquely different from that of another person; and this plan is in the mind of God for the individual.

**THERE IS A SPECIFIC HEAVENLY PATTERN FOR YOUR LIFE IN 2018 AND YOU CANNOT AFFORD TO MISS IT!!!**
