Ask the Holy Spirit to anoint you specifically for your field of endeavor; that by His wisdom, you will function at your highest, and produce extraordinary results as never seen in your life before..

*“See, I have called by name Bezalel the son of Uri, the son of Hur, of the tribe of Judah.” - Exodus 31:2*

It is a commendable thing to work hard at one’s work, but there is a certain ‘something’ that causes some people to be outstanding. They stand out as world class and pacesetters in their field. They come up with breakthrough ideas and outperform those who were in their field ahead of them. Different people attribute this to different things, based on their beliefs – the stars, luck or their personal effort. But is that really so?

Imagine that you are Bezalel; you have been making potteries that sell for about \$10, and all of a sudden, you wake up, put your hand to the wheel to make a pottery and ‘voila!’ what comes out is so amazing, people are willing to pay \$1,000 for it. Something happened to Bezalel overnight. It was an outpouring of the Spirit of God – the same Spirit at creation – the Spirit of creativity and innovation. He came upon Bezalel and turned him to a wonder in his profession.

Believe it or not, there is a special anointing and gifting from GOD that causes people to excel and stand out in any area of life. For many we call geniuses, God’s providence gave them their gifts from birth – whether they know Him or not.

God has that special ‘unction’ to enable you function in your field of endeavor, and you can ask Him for it. The Holy Spirit knows all things and can do all things excellently well. He enabled Samson to use unconventional means to defeat an army and He made Isaac to devise a means to have a bumper agricultural harvest in famine time. ( See Judges 15:9-16, Genesis 30:29-43).

You can be better than you are presently, and can perform at a more productive and prolific level just by inviting the Holy Spirit to help you and to anoint you as He did Bezalel. The ‘anointing’ is not just for preachers – No! It will work in a mechanic’s workshop, in a barbing saloon, in the banking hall, in the kitchen, in agriculture, oil and gas, trading, manufacturing, building, etc. The Holy Spirit of God is already in you; ask Him for that special ‘oil’ upon your life, and watch extraordinary results mark your life.
