PRAYER POINTS

Ask God to give you a thirst for the supernatural – John 7:37-38

Come against unbelief and ask that God will help you to exercise your faith.

Boldly declare that signs shall follow you, and as you walk in the supernatural, you will be a solution provider, when you lay hands on any sick body, business, marriage, finance, etc., they will recover.

And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover. - Mark 16:17-18

It is the plan of God that every Christian walks in the supernatural, that our lives are lived beyond the natural, elementary order. He wants us to live as carriers of His power so we can bring remedy to hopeless situations, and shine His light in a dark world.

The supernatural is the biblical factor that gives validity and credibility to Christianity. The bible says, "...Jesus Christ, a Man attested by God to you by miracles, wonders and signs which God did through Him in your midst..." (Acts 2:22). As recipients of His power, nothing less is expected of us than to command signs and wonders as He did.

The supernatural should set the Christian apart from the world. Supernatural – In Wisdom, Divine Health, Knowledge, In Might, Supernatural Progress, In Casting out demons and Healing the Sick.

Jesus said, "These signs shall follow those who believe." This means it is those who believe and work the word in their lives that will walk in the supernatural. WORKING GOD'S WORD PRODUCES WONDERS.

We have been given a divine mandate to go do exploits, God is ready to back us up and confirm our obedience with accompanying signs and wonders. It is time to put pressure on our faith and launch out, expecting the supernatural to follow us in every sphere of influence.
